

The Tale of the Vampire Bride (The Vampire Bride Dark Rebirth Trilogy Book 1)

All I ever wanted was the freedom to live life as I pleased, despite my aristocratic parents hopes Id secure a prestigious husband. But my fate was far more terrible than an arranged marriage when my family became prisoners to one of the most fearsome and powerful vampires of all time, Count Vlad Dracula. Imprisoned in the decrepit castle in the Carpathian Mountains, my new life as a Bride of Dracula was filled with bloody feasts, cruel beatings, and sexual depravity. There was no hope of escape. It was only when he took me to the picturesque city of Buda on the Danube River and I met a handsome, mysterious vampire in the darkened city streets, did I dare hope to find love and freedom.
