

Adventures in Journaling (Paper Adventures)

Partnered with Paper Adventures, a top brand in the scrapbook industry, Scrapbook Storytelling: Adventures in Journaling introduces the technique Page Flippers - a hot new trend in scrap booking - which provides a dynamic way to add and hide journaling on scrapbook pages. Also included in this latest addition to the Scrapbook Storytelling series are new and innovative journaling and photo journaling ideas, and page layout designs. Demonstrated from beginning to end in full colour, any crafter from beginner to advanced is assured success with fun and easy ways to share the memories each photo sparks.
