

Laced With Love 2: A Carolina Hood Romance

In Laced With Love 2 there are more trials and tribulations concerning love and affection. Yasmine is still happily in love with Shakur while they go through the trails for their love to survive and make it to the alter. Serenade is still facing tribulations of love when it comes to her relationship with Carter. The lies, heartbreak, & past feelings all resurface. It seems like a never ending battle with the love the happy couples thought they had. Will they make it? Will they continue to love each other and stick with each other until the end? Nothing is promised when it comes to Laced With Love.
