

## Mobil 99: Arizona (Mobil Travel Guide: Arizona)

Arizona, home of the Canyon, Saguaro National Park, and some of the country's best golf courses, is visited by more than 28 million visitors each year -- half of whom arrive by automobile, camper, or recreational vehicle. This guide, the newest addition to the Mobil Travel Guides series of highly focused state guides, deserves a place in every visitor's glove compartment. It suggests hundreds of restaurant and lodging options throughout the state, all rated with Mobils trusted One- to Five-Star Quality Rating System. In addition, it covers national parks, historic sights, museums, golf courses and a wide range of outdoor activities. An introductory chapter explores the state's history, culture, climate, and special events.
