

TRACES OF MY LIPSTICK : Gangstress Elite Tales

Mimi Renees Ink Game Publications presents...Traces Of My LipStickMeet Janine. With or without a crew, she is coming after whoever she has a personal vendetta with. As the daughter of a legendary murder-for-hire, Janine takes the skills that were passed on to her along with her unique hood ways and uses them for business and pleasure. But how long does she get away with it? And what happens when she has to utilize those skills against those close to her? ~Brandy LeRue, author of Ghetto Diva.If you scratch a liar, you'll find a thief, and Ashley takes pride in making this cliché an honest one. But what happens when you live a life full of lies, and the truth walks in to show his handsome face? Will the truth be enough to stop one woman's hustle? Or will it be another small hurdle on her journey to financial success? ~Raynesha Pittman, author of Kismet 1& 2They say whatever a man can do, a woman can do better, so when Latoya Young is forced to take over her husband's empire after his untimely death, it comes to her like second nature. Avenging his murder becomes her obsession. Will Latoya succeed at holding court in the streets, or will she get lost in the hustle? Find out as she discovers the truth behind love, loyalty, and betrayal. ~Brooke Lynn, author of Candy GirlThey say a woman will do anything to reign supreme in the streets, and that's exactly what Zamora LeCompte plans to do. She runs her empire and family with an iron fist. But when your love for money starts controlling you, things begin to fall apart. Take a journey with Zamora and see if she can hold it together & remain the Queen Bee. ~ ChaBella Don, author of Dirtiest Revenge
