

## Barcelona a photographic tour (Photographic tours) (Volume 2)

Barcelona - a photographic tour takes the reader on a personalized guided tour around the colorful city of Barcelona. This photo book guides the reader through Barcelonas attractions, cultural life, the architecture and the colors of this beautiful city. It contours the portrait of Barcelona, in a visual way, through stunning high-resolution photographs, including 2 pages spreads, arranged in a fascinating tour book. Barcelona a photographic tour is both a photo book and a travel guide. Each photograph is accompanied by descriptive text about the landmark or place depicted in the image. The profile of Barcelona is thus constructed both through pictures and informative text creating the complete portrait of the city that has fascinated people for centuries. The book also includes the map of Barcelona with the main tourist attractions. The photos capture the colors, the spirit and the magic of Barcelona. This pictorial tour will take you to a city of breathtaking beauty, will guide your steps trough the labyrinth of small streets from the Gothic city center and will give you inside information about the most important things to see here. All the major landmarks and attractions are portrayed via stunning photographs and the colors and definition of the images are impressive. Showcasing all faces of Barcelona, from the historic heritage to the architecture that makes Barcelona the cosmopolitan mix it is today, this is a must read book! Barcelona a photographic tour is a remarkable photo guide suitable for both the tourist planning to visit Barcelona and the visitor that just returned from the trip. It makes for a wonderful photography book in any library and an interesting coffee table book. It entertains and guides the reader on an imaginary trip to the city of Barcelona. Colorful, joyful and sunny, Barcelona is a vibrant city and this book depicts it in the best possible way! This book is the second in the Photographic

Tours series of travel photography books, following the first one: Rome - a photographic tour.
