

## Madame Bovary (Letras Universales / Universal Writings) (Spanish Edition)

Madame Bovary es, sin lugar a dudas, una de las novelas mas importantes de la literatura universal. Su publicacion en 1856 suscito un proceso por ofensa a la moral publica y a la religion, del que Flaubert salio absuelto. Favorecida por el escandalo, la novela inicio a partir de ahi su camino a la gloria, que el paso del tiempo no hace sino acrecentar.
