

Deuda de sangre (Serie Negra) (Spanish Edition)

Terry McCaleb ha sido uno de los mas brillantes agentes del FBI especializados en asesinos en serie. Hasta que su reciente trasplante de corazon ha hecho aconsejable llevar una vida mucho mas sosegada, ocupandose de reparar el barco en el que vive en el puerto de Los Angeles. Pero cuando Graciela Rivers le pide que investigue el brutal asesinato de su hermana Gloria durante un atraco no puede negarse a ayudarla. El motivo es poderoso: el corazon que ahora palpita en su pecho es el de Gloria. Y lo que inicialmente parece una muerte fruto de un desgraciado azar no tarda en revelar los inquietantes manejos de una retorcida mente psicopatica, de un criminal mas diabolico que ninguno de los que ha tenido que perseguir McCaleb con anterioridad.

ENGLISH DESCRIPTION

In *Blood Work*, Michael Connelly introduces a new character, Terry McCaleb, who was a top man at the FBI until a heart ailment forced his early retirement. Now he lives a quiet life, nursing his new heart and restoring the boat on which he lives in Los Angeles Harbor. Although he isnt looking for any excitement, when Graciela Rivers asks him to investigate her sister Glorias death, her story hooks him immediately: the new heart beating in McCalebs chest is Glorias. As McCaleb investigates the evidence in the case, the suspected randomness of the crime gives way to an unsettling suspicion of a twisted intelligence behind the murder. Soon McCaleb finds himself on the trail of a killer more horrifying than anything he ever encountered before. *Blood Work* won the Grand Prix, the highest honor for a mystery novel in France. It also won the Anthony Award and Macavity Award for Best Novel of 1998. *Blood Work* was released as a major motion picture by Warner Bros Studios, directed by and starring Clint Eastwood.
