

## David Copperfield (Spanish Edition)

La huella autobiografica que Charles Dickens (1812-1870) dejo en David Copperfield, una de sus obras mas importantes, convirtio este libro en el mas cercano a su corazon. David, como Dickens, vivio una infancia feliz leyendo y asistiendo a la escuela hasta que su suerte cambio. La transmutacion intima de ambos, protagonista y autor, fue compleja y sutil. Aunque ficcion y realidad no siempre coinciden, las desdichas de la niñez, el trabajo en la abogacia, la condicion de escritor y varios de los personajes responden a la experiencia personal de su autor. Narrada desde la distancia del adulto, la vida de David Copperfield encierra satira y humor ironico, luto y angustia, pero tambien mucha alegria y ruido de personas
