Sara Foster blames herself for her failed marriage. On Christmas Eve, she hides away in the family cabin, the same place her father abandoned her twenty years ago.

Dalton Scot is unable to face the family holiday after his divorce and discovering he can never have children of his own, so he chooses Christmas Eve to fix his buddies cabin. Both search for a secluded spot to mourn their Christmas pasts, but instead are snowed in at the cabin for the holiday where they discover the power of the Christmas spark.
