

A Forever Kind of Love

Falling in Love is something everyone dreams about. Just the thought of being in love is enough to immerse a person in happiness. The genuineness and feelings involved in a loving relationship has the tendency to take over your whole body, but theres one thing. Is it forever? Like most people Layah never planned to fall in love, but when she did, she couldnt stop it. Falling head first into this passionate relationship with Nassir Jordan, is anything but promising. Being from two totally different worlds brings about more complications than either of them are prepared for. Nassir is everything Layah could have ever dreamed of plus more. Being with him is the highlight of her young life, and she plans to do everything in her power to make it last. Unlike Layah, Nassir is no stranger to uncertainty and hardships. Those two things are a part of his everyday life. That is until he gives in to the feelings hes grown for this upper-class beauty from the suburbs. Having grown up in the hood, Nassir believes in anything but happy endings. Hes learned the hard way that you must work for the things you want. This is a lesson well learned when the raw emotions he feels for Layah begins to emerge. Trying the best friend thing worked for a while until his budding fascination got the best of him. Finally welcoming contentment into his life Nassir refuses to let it go. Together, theyre determined to make their undying love last forever.
