

## The Wrong Cowboy (Harlequin Historical)

One mail-order bride in need of rescue! All the rigorous training in the world could not have prepared nursemaid Marie Hall for trailing the wilds of Dakota with six orphans. Especially when her ingenious plan to pose as the mail-order bride of the children's next of kin leads Marie to the wrong cowboy! Proud and stubborn, Stafford Burleson is everything Marie has been taught to avoid. But with her fate and that of the children in his capable hands, Marie soon feels there's something incredibly right about this rugged rancher and his brooding charm. A delightful western humor, realism and sweet emotion. RT Book Reviews on Inheriting a Bride
