

A Lethal Legacy: Psychological Thriller

Steamy and Intriguing A fascinating study of human expectations, failings, and redemption A Lethal Legacy takes the reader on a journey through Ed Townsends twisted family legacy. He complicates the familial connection even more when he falls prey to the siren of his much younger cousin Kristina, who is beyond saving as she plots to get her fair share of the Townsend family legacy. Eds best friend and cousin, Gary, struggles as he marries women he doesnt love all because he knows his father will never accept his homosexuality. It takes divorce, disease, and murder for Ed to realize that acceptance only comes from within once he is ready to face the truth.??? Youll never forget Kristina...Shes devious, depraved, and desperate. Shell do anything to find love.??? Youll never forget Gary...Hes imprisoned by his need to find love at all costs...until its too late.??? And Ed is the hero you love to hate.Hes looking for happiness in all the wrong places.Scroll up and grab a copy today.
