

A Modern Aladdin, or the Wonderful Adventures of Oliver Munier, an Extravaganza in Four Acts (Classic Reprint)

Excerpt from A Modern Aladdin, or the Wonderful Adventures of Oliver Munier, an Extravaganza in Four Acts The Comte de St.-Germaine was a real historical character. Of all the many adventurers brilliant and volatile that flitted across the polished surface of Parisian life during the gay butterfly days of La Pompadour, none was more interesting, none left a more fascinating reflection, than he. No one knew who he was, no one knew his antecedents, no one knew whence he came, but there he suddenly appeared, to shine transiently and somewhat luridly for a year or two in a certain heaven of quasi high life. Nothing could have been more sudden than his advent. One day he was unheard of; the next, all the world talked of him, gazed at him, and wondered. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
