

A Novel Approach to Shakespeares Much Ado About Nothing

I have been a fan of Shakespeare for many, many years, and have been helping students enjoy reading his plays for over a decade. But sometimes, when a student or adult wants to enjoy Shakespeare without the benefit of a group to read the plays aloud with, it would be nice to have Shakespeare in the form of a novel. I have taken much of Shakespeares dialogue from Much Ado About Nothing and tried to add just enough scene and character identification to make the play make sense. I hope you enjoy this novel look at one of my favorite Shakespeare comedies!
