

The Second Opinion

Left for dead by a hit-and-run driver, Dr Petros Sperelakis chances of survival are slim. But Petros daughter Thea refuses to accept that her father might not survive his devastating injuries, even when her brothers insist that treatment be withheld. Having left the complex, money-driven dynamics of traditional medicine years ago, Theas fathers grievous injuries draw her unwillingly back into a world she despises. As she uncovers the secrets surrounding her fathers collision, it becomes clear that it was no accident. But without proof, she can dig no deeper. Theas investigation hits a dead end until one day, her father, the founder of a cutting-edge medical centre, opens his eyes and slowly begins to blink a terrifying message. Confronted with a conspiracy that infects the whole of the medical community, Thea soon finds that she is fighting for more than her fathers life. She is also fighting for her own...
