

Adorable Furniture for Dolls & Teddy Bears

With techniques this simple, and the most ordinary materials, giving your teddy bear or doll a mansion--full of fabulous furniture will be a creative joy. Personalize an unfinished dollhouse with decoupage, wood trim, and paint ideas. Turn a serving tray into a comfy bed, and a cardboard box into a plaid couch--all it takes is some basic sewing and folding. Plus: lampshades, chairs, tables, dressers, and more. Every piece is irresistible, as are the sweet drawings throughout.
