

## Always on My Mind (Christiansen Family)

After a failed dig in Honduras, aspiring archaeologist Casper Christiansen heads home to Minnesota to face his unresolved feelings for Raina Beaumont, the woman of his dreams. But when he arrives unannounced on her doorstep, he receives the shock of a lifetime: Raina is pregnant with someone else's baby. Heartbroken, especially when he discovers the identity of the baby's father, Casper tables his dreams and determines to be dependable for once, helping his older brother, Darek, prepare the family resort for its grand reopening. Casper longs to be the hero of at least one family story, but a never-ending Deep Haven winter and costly repairs threaten their efforts—and the future of the resort. Worse, one of Casper's new jobs constantly brings him into contact with Raina, whom he can't seem to forget. A tentative friendship begins to heal fresh wounds, but can they possibly overcome past mistakes and current choices to discover a future together?
