

The Serpent Pool: 4 (Lake District Mysteries)

They halted close to the waters edge. This was their destination. This was the Serpent Pool. And here, six years ago, Bethany Friends body had been found. The Lake Districts cold case specialist, DCI Hannah Scarlett, is determined to uncover the truth behind an apparent suicide in the Serpent Pool some years ago. Why would Bethany, so afraid of water, drown herself? Hannah fears that her partner, bookseller Marc Amos, is keeping dark secrets. Does he hold the key to Bethanys past - and why was his best customer burnt to death in an Ullswater boathouse? Hannah still carries a torch for Daniel Kind, who is researching Thomas De Quincey and the history of murder. Once Daniel and Hannah suspect connections between Bethanys drowning and a current sequence of killings, death comes dangerously close to home.
