*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. Leo Tolstoy began his trilogy, Childhood; Boyhood; Youth, in his early twenties. Although he would in his old age famously dismiss it as an awkward mixture of fact and fiction, generations of readers have not agreed, finding the novel to be a charming and insightful portrait of inner growth against the background of a world limned with extraordinary clarity, grace and color.
