

Andalucia Marco Polo Spiral Guide (Marco Polo Spiral Guides)

For advice you can trust, look no further than Marco Polo. Andalucia Marco Polo Spiral Guide is a compact travel guide for people who have little time to prepare for a trip, don't want to miss anything, like to be inspired by great ideas for exciting days out and love all things ultra-practical and easy to use. Inside the Andalucia Marco Polo Spiral Guide: Top 10 sights: From the top down to make it easy to prioritize! The Andalucia Feeling gives tips to help you experience the essence of the region - such as enjoying cool refreshments and tapas as you walk from bar to bar or seeing a sultry flamenco show. Get under the skin of Andalucia to see what makes it tick. The Magazine section provides an interesting and entertaining account of life in Southern Spain. It looks at the famous legends of romantic Andalucia, full of heat and passion; bandits in the mountains; the immoral Don Juan and the lascivious Carmen. It also examines bullfighting, traditional and controversial in equal measure; lively fiestas and festivals; and the sherry, Andalucia's liquid gold. Don't miss: Each chapter highlights the absolute must-sees for each area and what to do at your leisure if time permits. In the four chapters organised by region, each chapter provides restaurant recommendations, the best shopping streets and the hottest places to go for a night out. Perfectly planned itineraries lead you through this Spanish province revealing the most popular attractions for each area including the best places to eat and drink along the way, each with its own map. Simply decide whether you want to travel on foot, by bike, car or public transport for perfect days in Andalucia. Detailed 3D graphics reveal the interior of attractions such as the Mezquita in Cordoba and the Alhambra in Granada. Excursions take you from walking through the hidden corners of Cordoba to travelling to the white villages where you can discover the different characteristics of

Spain's southernmost autonomous community. Coverage of Malaga, Cadiz, Granada, Almeria, Cordoba, Jaen, Sevilla, Huelva and much more! Street Atlas & pull out map: The best of both worlds! Some people prefer an atlas while others prefer a separate map - Marco Polo Spiral Guides have both. The separate, fully indexed pull-out map is handily placed in a high-quality plastic wallet at the back of the guide, which can also be used as a storage pocket. Top 10 reasons to come back: For those undecided about a return visit... there is a list of Top 10 reasons to come back again!
