

Christmas Gold (Christmas Mail Order Angels)

When Phoebe Rosss employer dies, leaving her with a wedding gown, Phoebe feels she has no choice but to answer the call for mail order brides to Angel Vale, Wyoming. When she arrives her groom-to-be is nowhere in sight. With the other brides claimed, she sets off to find her groom. He is nothing what she expected. Christmas Gold is a touching story of finding love, escaping the past, and forging a new future in an untamed land.
