

The Great Canadian Bucket List - Prince Edward Island

On his personal quest to check off the best of his home country, travel writer and host Robin Esrock catalogues must-sees, including nature, food, culture, history, adrenaline rushes, and quirky Canadiana. After spending years crafting the definitive Canadian Bucket List, he's packed in enough for a lifetime, at least. In this special excerpt, Esrock takes us to Canada's smallest province, an island with its own flavour that's about much, much more than potatoes and Green Gables. Experiences include: hauling a lobster trap, harvesting sea plants, and shucking oysters.
