

## Oxford Playscripts: The Devil Walks

An engaging classroom playscript. Daniel has never known the outside world. Raised in a dark, secluded room by his reclusive mother, his only comfort is a beautiful dolls house, a replica of his mothers childhood home. However, the unexpected arrival of a local doctor changes everything and Daniel begins to realize just how many secrets his mother has sheltered him from. His discovery of a sinister doll hidden within the dolls house, and the sudden appearance of his mysterious uncle, Captain Severn, reveals a chilling family secret that Daniel must confront.
