

Arafura - Blood, the Wet and Tears.

Nobody said the build-up would be easy. No body... Sensible schoolteacher Kat is planning to marry when her long-term fiance finds the time. When the mysterious and damaged Adam arrives in town, Kat is jolted well out of her comfort zone. Despite her loyal intentions, a dead body and enough pre-monsoonal weather to strangle a Kat, she must wrestle with an instant attraction that is emotionally risky and absolutely, definitely fraught. Arafura will appeal to female and male readers who enjoy quirky, witty suspense with dark edges.
