

Kim (Spanish Edition)

La obra maestra de Kipling y una de las grandes narraciones de todos los tiempos. Obra maestra de Kipling y una de las grandes narraciones de todos los tiempos, Kim cuenta la historia de Kimball O'Hara, a quien todos llaman Kim, huérfano de un soldado del regimiento irlandés. La acción transcurre en la India colonial británica, donde el joven y astuto Kim conoce a un lama tibetano que cambiara el curso de su vida. El lama se propone encontrar un río místico, y el muchacho decide acompañarlo y guiarlo, pero al mismo tiempo el viaje esconde una misión que prefigura su futuro como miembro de los servicios secretos. Ningún otro escritor occidental ha entendido la India como Kipling. Salman Rushdie
