

The Wizard of Rue Morgue (The Wizard of 4th Street)

Darkness in the City of Light. A beautiful model is found murdered with ancient runes carved into her body. An artist known for drunken rages is arrested and charged with ritual murder. As the bearers of the runestones --Wyrdrune, a dropout warlock; Kira, a cat burglar; Modred, the immortal son of the legendary King Arthur; and Billy Slade, a London punk possessed by the spirit of Merlin the Magician -- respond to a friends plea to help save an innocent man, Parisian street children start to disappear without a trace and a series of savage killings brings new horror to the Rue Morgue. And beneath the streets of Paris, in the sewers and the Catacombs filled with the dusty bones of the victims of the guillotine, the immortal Dark Ones prepare a deadly plan to destroy the enchanted runestones and their avatars and unleash a bestial army that will drown the streets of Paris in a sea of blood.
