

A Story Untold (Dawn of War) (Volume 1)

There is a season for everything, and each season only lasts so long. Every so often, the winds unexpectedly change course, and with them, a new season is dawned! Set in the 18th Century deep in modern day East Africa, we meet the Bakoria people- a warrior tribe made up of four brother kingdoms that has ruled that region for centuries. The story follows our selected heroes and heroines born during the years of peace and prosperity for their people. That is until they wake up one day to the dawning of a new season, where internal and external forces threaten their stability, a season of war and plunder.
