

At the Crossroads

Jack Farley at twenty-one years of age thought his life should be a dream come true. But somewhere along the way he found himself lost and alone. So, in 1983, he finds himself at the crossroads, unsure of which path will lead him back to passion and fulfillment. He returns to home, to Dallas, to old loves that broke his heart. But every step along the way is filled with mishaps, new discoveries, and, if hes lucky, a chance to not only find love but also acceptance by his estranged father. Max Pierces new novel offers readers plenty of romance, a tickle to the ribs, a touch of madcap drama--everything a man needs to make a life memorable.
