

Her Forever Cowboy (Bad Boys Western Romance Book 1)

With a hundred years of ranching on the line, Stephen McLemore dove into his career as an explosives engineer. After achieving wealth, power, prestige, hes ready to make his move. He walked away from love, but he never forgot the girl of his dreams. At the time, Jillian Sinclair was 16, a hot mess, and hands-off. Eight years later, is it coincidence or a case of meticulous plotting that brings Jillian face-to-face with the cowboy who kissed her and left? It might not matter. Shes grown up, ticked-off, and prepared to settle a score. Within a family crisis, Stephen and Jillian are powerless to fight their raw desire. From a smolder, their intense attraction combusts. They cant deny that love tastes sweeter the second time. But life throws a curve ball into Stephens goals. Hollywood comes knocking on Jillians door with an offer to star in a reality dance TV show. Be careful what you wish for... Theres a very secret, private, and controlling side of the second eldest of the hardcore cattle ranching brothers from Evermore. How far will Stephen go? The ultimate sacrifice cuts deep. Jillians once in a lifetime opportunity might be this cowboys undoing. A raw passionate, second chance love story that explores the depth of forgiveness and sacrifice, loyalty and trust.
