

Top Secret Santa (Guardians of Freedom Book 3)

Clark Kent takes on The Grinch in this pay it forward story of holiday giving. The holidays have never been the same for Holly Frost since her fiancé took all of her money and fled the country with his real wife on Christmas Eve. Fueled by hurt and lies Holly is determined to expose Pineville's Secret Santa. For two years she's collected evidence, believing no one can be so generous every year. There's more to this person's story and she wants it front and center. Army Lieutenant Chris North has always stuck to the plan. Every Christmas he anonymously helps people in memory of his fallen comrades. When a newspaper reporter threatens to expose his true identity he decides to divert tactics and help her find the Christmas spirit. A magical sleigh ride and kiss under the mistletoe make it hard to stay his course. Keeping to true North is key if he wants to perform his most important Christmas miracle. When Holly discovers the truth, what story will appear come Christmas morning?
