

Bats and Bones (The Frannie Shoemaker Campground Mysteries Book 1)

Bats and Bones is a B.R.A.G Medallion Honoree. Frannie and Larry Shoemaker are retirees who enjoy weekend camping with their friends in state parks in this new cozy mystery series. They anticipate the usual hiking, campfires, good food, and interesting side trips among the bluffs of beautiful Bat Cave State Park for the long Fourth of July weekend until a dead body turns up. Confined in the campground and surrounded by strangers, Frannie is drawn into the investigation. Frannie's persistence and curiosity helps authorities sort through the possible suspects and motives, but almost ends her new sleuth career and her life for good. As a bonus, each chapter ends with a camping tip or recipe, some useful, some not so much.
