

Further Fridays: Essays, Lectures, and Other Nonfiction, 1984 - 1994

Every Friday for many years, John Barth has exchanged his weekday fiction muse for a nonfiction one. He first collected the fruits of these labors in the critically acclaimed Friday Book and now, in Further Fridays, treats readers to a brilliant encore. This collection features a variety of reflections and ruminations that range as far as Barths curiosity takes him. Each is a journey, but never quite the one expected one.
