

Shelly- BBW Short

A BBW short of approximately 10,000 words. Shelly wasn't about to let her brother, the alpha, mismatch her with some alpha from another pack just so that he could secure an alliance. She wasn't a pawn in his games, and she wouldn't stand by and miss out on finding her one true mate just because he deemed it so. But when her mate found her, she came perilously close to losing everything. Adult Content.
