

## Breakaway: Clan of the Ice Mountains

Book Three of the series is now available! Begin your epic journey with Attu and his Clan in this first book of The Clan of the Ice Mountain series. Then follow up with Blooded Ground and the latest installment, Broken Rock Bay. When Attu begins dreaming of ice mounds attacking him and a beautiful girl calling to him across deadly open water, he realizes the spirits of the Nuvikuan-na are warning his clan. The Warming is coming. The ocean ice they have lived and hunted on for generations is melting, and they must flee to the safety of an unknown land before they all drown. In this powerful tale of survival at the end of an Ice Age, the young hunter, Attu, must choose between saving his clan or saving Rika, the golden-eyed healer he is forbidden to love
