

The Destiny of two hearts.....: You dont know where your real destiny is.....But your destiny always finds you.....

The Destiny of two hearts.....: You dont know where your real destiny is.....But your destiny always finds you.....

Destiny of life is always mystery. You dont know where your real destiny isBut your destiny always finds you.. Vir and Sunita are fallen in love at first sight. They are made for each other. If one is flower then the other one is its fragrance. If one is heart then the other one is its heartbeat. They couldnt exist without each other. But their destiny has different plans for them. They are separated from each other. One day Suman left Vir forever. Nobody knows whereabouts her. Vir is dying to find her. But he couldnt find her anywhere. He became like a nomad in search of his love, Sunita. Even he couldnt aware that he is on the path of self-destruction. Can Vir find his love, Sunita? Can their destiny bring them together? The Destiny of two hearts is a real story depict of love, temptation, longing desire, separation and destiny.
