

## Tomorrows Dream

Kyle Rothmore has reunited with her long-lost family and married Kenneth, the man who helped her find them. When she learns that she and Kenneth are going to be parents, her future couldn't look brighter. Then, tragedy disrupts Kyle's idyllic world and her faith is deeply shaken. As her dreams of happiness and fulfillment disappear before her eyes, she falls farther away from Kenneth, her family, and her heavenly Father. The strength and hope of those who love her don't feel like enough, but when help comes from an unexpected source, Kyle is faced with deciding what matters most in her life.
