

Blood For Blood

Time is running out When a mysterious figure from the past accuses Johanna Davenport of witchcraft and murder, Royalist Captain, Daniel Davenport, must choose between his loyalty to the King and the life of his sister. Imprisoned in Fisherton Anger Gaol since the Battle of Worcester, Daniel must fight not only the terrible vengeance of one man, but the full force of Cromwells Protectorate Government. With all that he holds dear disintegrating around him will Daniel Davenport save his sister from murderous revenge? And will he save himself from that most insidious of enemies: the enemy within? For when you lose yourself, you lose everything.
