

## The Dark Sleep (Vampire Files, No. 8)

The novel that vampire fans have been thirsting for...the newest addition to P.N. Elrods popular series The Vampire Files. Called fast...intriguing, by Science Fiction Review, and good-natured fun by Locus, P.N. Elrods series The Vampire Files has captured the imaginations of vampire fans and mystery readers alike. Jack Fleming, a vampire detective, makes his living on the mean streets of post-prohibition Chicago. As he struggles to fight the gangsters at large, he is also trying to sustain an ordinary life. At least, as ordinary as it can get when youre a vampire... Death hasnt ended Jack Flemings problems. His girlfriend Bobbi has caught the attention of a famous radio star, who promises to open doors for the lovely singer-including the one to his bedroom. His current case-retrieving incriminating letters from the ex-lover of a rich, foolish young socialite, looks simple until bullets start flying. Now Jacks mortal partner is in the hospital. Whos behind the gun? The ex-lover? The radio stars goons? An old enemy? Jack has to find out the truth-before the lives of those he loves are put at risk... Well done...original. You wont want to miss this series. -Cemetery Dance
