

## Hells Gate (Ben Blue Book 8)

A bold daylight robbery costs the lives of two men and puts the futures of two ranches in doubt. The ranches, belonging to friends and a family member of Ben Blue makes it personal. Ben finds himself in a tangled knot of good and evil, with no way of knowing one from the other. All he can do is trust no one, and start unraveling the tangles until those responsible are exposed for what they are if he can. Many things stand in his way to keep him from seeing justice done. Even the gates of hell cant stop him from trying.
