

Hotel Iris

In a crumbling, seaside hotel on the coast of Japan, quiet, seventeen-year-old Mari works the front desk as her mother fusses over the off-season customers. When, one night, they are forced to eject a prostitute and a middle-aged man from his room, Mari finds herself drawn to the man's voice, in what will become the first gesture of a long seduction. Mari begins to visit the mysterious man at his island home, and he initiates her into a dark realm of both pain and pleasure. As Mari's mother and the police begin to close in on the illicit affair, events move to a dramatic climax. By the author of *The Housekeeper* and *The Professor*
