

Just For The Summer: A Chasing Carolina Novella #0.5 (Chasing Carolina Series) (Volume 1)

Chase Kenzington loves two things: fast cars and women. At twenty-two, he has the entire world at his feet. With his father being Hank Kenzington, who is one of the best drivers in the Sprint Cup Series and his grandfather, Arnold Kenzington, a legend in Nascar, he's used to getting whatever he wants when he wants it. When he and his friends decide to spend the summer at his father's beach house in Myrtle Beach, he expects to spend it throwing parties on the beach and finding hot girls to hook up with. The last thing on his mind is finding a girl who'll make him re-think everything. Ashlynn Myers, along with a few sorority sisters, is heading to Myrtle Beach for four weeks of fun in the sun. The last thing she expects is to meet a guy while on vacation who will make her fall fast and hard before she even knows what hit her. When she meets Chase the chemistry between them is undeniable. The thing about summer and summer romances is that they both come with expiration dates. After summer ends you have to part ways and go back to your everyday lives. What do you do when you think you've found your soulmate but you're separated by hundreds of miles? Will Ashlynn and Chase be able to walk away from their summer fling and never look back, pretending that what they had for one month over the summer was nothing more than a hot summer hook-up?
