

Karma (Triple Crown Publications Presents)

When narcotics detective Lucas Cain meets news reporter Justine Greer, she stops his playful attitude in its tracks. It is love at first sight as the two fall head over heels for each other, despite the influence of Justine's jealous friend, Simone. While Simone tempts Lucas with her raw sexuality, he struggles to keep his old ways in the past. Lucas and his partner, Noah, accept a dangerous undercover assignment that will topple the empire of the notorious drug lord, Nine. Can Lucas and Noah survive this dangerous bust? Will Lucas revert to his player ways with Simone's constant temptation? It's a race between love and lust, and what goes around definitely comes around as KARMA takes its toll.
