

## BossN Up 2: The Naked Truth

Yaseer always feared karma might come back to haunt him. But never did he imagine it would appear with a vengeance stronger than anything he had ever encountered. After surviving a vicious attack, Yaseer is out to prove his team, The Torture Crew, is still The Naked Truth! Reclaiming their position, everything seemed to be moving along smoothly, but then all hell broke loose. With fierce, new enemies surfacing out of the shadows gunning for his head and exposing secrets of his fiancée, Yaseer is on the verge of cracking. Will he succumb to the vicious war tactics of his adversaries? Or will he slay everything in his path and continue to love Paris in spite of what's revealed? When the streets want you dead but you refuse to lay down and die, the only option is to keep BossN Up.
