

# Browns requiem

Fritz Brown est un détective privé spécialisé dans la récupération de voitures dont les traites sont impayées. Jusqu'au jour où un caddy obèse l'engage pour surveiller sa jolie sœur ; elle vit en compagnie d'un homme qui pourrait être son père. C'est alors que Brown plonge dans l'univers noir et désespéré des bas-fonds californiens. Browns Requiem est le premier roman de James Ellroy. Des Browns Requiem, le ton est donné - liturgie décriée pour sublimer ses obsessions, requiem d'un passé qu'on enterre. - Marianne Alphanand, Liberation L'histoire nous entraîne sur les traces de ce Fritz Brown attachant, mélomane fragile et violent à la fois... Perdu dans un Los Angeles glauque et dépravé, ce superbe personnage-miroir permet à Ellroy de nous décrire... cette fatalité du mal de vivre qui pousse aux pires excès. - Bruno Corty, Le Figaro Littéraire
