

Buckskin Brigades: An Authentic Adventure of Native American Blood and Passion

Its 1806 and the United States is pushing westward. One white man raised by Indians Yellow Hair undertakes a treacherous adventure across the uncharted wilderness. Experience a panoramic journey across the pages of American history in this thrilling story of a proud, courageous man pushed to the limits of endurance. . . . and of a country on the threshold of a bloody conflict that will change it forever. Mr. Hubbard has reversed a time-honored formula and has given a thriller to which, at the end of every chapter or so, another paleface bites the dust. . . . [has] an enthusiasm, even a freshness and sparkle, decidedly rare in this type of romance. New York Times
