

Burning Attraction (Cassie Series Book 1)

Cassie McKnight is starting college with her best friend, and roommate, Aubrey. Life is supposed to be about a few good parties, fun with friends, and working hard in school. The last thing Cassie wants is to fall in love, at least right off, but in the first few weeks everything changes. Cassie finds a perfect romance with Carson Woods, a fraternity brother who treats her the way she always dreamed of. Although everything is perfect between the two, Cassie can't control the love she has for Avery Manning, her childhood crush, who after six years kept his promise of coming back to be with her. While sorting through the mess of Carson and Avery, Cassie uses Pierce Danielson, Avery's sexy rival in the underground fights, to be her escape from reality. The worse part of using him, is accidentally having feelings for him. With the help of Aubrey, Cassie has to make a tough decision on who and what she wants, without losing any of the men who have consumed her heart. Burning Attraction is a story of love, lust, and loss.. Genre: New Adult Contemporary Romance This title is recommended for mature readers, 18+ years in age, due to intense sexual situations and language.
