

The Return of Little Big Man: A Novel

Jack Crabb, hero of Little Big Man and beloved chronicler of the Wild West, is back in the saddle again. This time he meets, drinks with, and rides with Bat Masterson, Annie Oakley, and Doc Holliday, and even travels with Buffalo Bill Cody to meet Queen Victoria. Part mischief, part historical fact, The Return of Little Big Man is a true literary achievement and a rollicking good read.-- Tremendously well reviewed, this sequel is a hit with critics and readers alike.-- The perfect book for any lover of Westerns, Mark Twain, and Berger himself.-- With a lovable hero, an action-packed story, a true Wild West setting, and scrupulous historical detail, The Return of Little Big Man has crossover appeal for readers of both history and fiction.
