

Safe Haven, Large Print

During an idyllic summer in Italy with her best friend Audrey, Renee meets a handsome local, and falls deeply in love. The affair comes to an end when she returns to North Carolina. Back home, Renee fulfills everyone's expectations including her own by marrying her longtime college boyfriend. Over the next two decades, she raises a family and lives a predictable, if in some ways, unfulfilling life. When Audrey announces that she's dying of cancer, Renee drops everything to spend Audrey's last days by her side, unaware that her unconventional best friend still has a few surprises up her sleeve.
