

Grand Canyon National Park: The Roadtrip Guide

Nearly 5 million people visit Grand Canyon National Park each year. The crowds can be overwhelming, so planning your trip is essential, especially if you want to stay overnight. Itineraries designed to fit the visitors allotted time are suggested. Each viewpoint is listed along with a description of the highlights. Every place to eat, shop and sleep in the park, and many outside the park, are detailed. The author has driven to the park more than twenty times. Thus, he is highly qualified to write this book. This is his tenth book about places and things in Arizona.
